2019–2020 School Accountability Report Card

Translation Disclaimer

School Accountability Report Card Reported Using Data from the 2019–2020 School Year California Department of Education

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC web page at https://www.cde.ca.gov/ta/ac/sa/.
- For more information about the LCFF or LCAP, see the CDE LCFF web page at https://www.cde.ca.gov/fg/aa/lc/.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at https://dq.cde.ca.gov/dataquest/ that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) https://www.caschooldashboard.org/ reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The

Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

About Our School

Luther Burbank Elementary continues to make tremendous growth. Our school continues to work hard to improve the academic achievement of all our students. The challenges of our high English learner population, and socio-economically disadvantaged student populations have brought out the best from each of our staff members. They work together as a Professional Learning Community (PLC) to analyze data, assess the needs of their students, provide after school tutoring and develop teaching strategies that achieve success in the classroom. We continue to assess Language Arts and Mathematics at regular intervals, as well as to develop goals to continue to improve our instruction. We have high expectations for all our students, and work closely with parents to provide the best program for them.

Reading/Language Arts	All grade levels use Houghton Mifflin "Legacy of Literacy" reading during our English/Language Arts Block. Comprehensive instruction in phonemic awareness, phonics, decoding skills and writing are emphasized in kindergarten through second grade, creating a strong foundation for early reading. By third grade, we expect students to be able to read, respond to literature, identify inference and w rite a variety of different genre. By fourth, fifth and sixth grades, we expect students to understand an author's point of view, write a variety of genre in multi paragraphed essays and analyze, interpret and respond to a variety of literature and expository text. Mathematics	All students are using a new state adopted curriculum. Students in grades Kindergarten thru 5th grade are using Everyday Mathematics which is aligned with the Common Core State Standards. It reinforces math concepts through a variety of means and review s previous concepts throughout the program. Our 6th grade students are using College Prepitory Mathematics. It is also aligned to the Common Core State Standards and provide students with a variety of ways to master the curriculum.	Yes	0.00 %
Science	Students in grades kindergarten through grade six explore, explain, and evaluate physical, earth and life sciences. We are using the standards-based McMillan/McGraw Hill "California Science" program. This comprehensive program incorporates the inquiry model with clear scientific explanations and hands on experimentation and investigation beginning in kindergarten, and extending through the sixth grade.	Yes	0.00 %
History-Social Science	Students begin their exploration of History/Social Science using the standards based Pearson Scott Foresman "California History/Social/Science" program from kindergarten through fifth grade. The Mc Millan/McGraw Hill "California Vistas" program is used in sixth grade in order to prepare students for middle school. Students learn about citizenship beginning in first grade, and in second grade, students explore the lives of both current and historical figures. The theme in third grade is continuity and change, with California the subject of student studies in fourth grade. American History is the focus in fifth, while sixth grade emphasizes ancient world cultures. Woven throughout all grade levels are instruction in geography and the environment and their influence on culture.	Yes	0.00 %

School Facility Conditions and Planned Improvements

The district uses the Facilities Inspection Tool (FIT) which was developed by the State of California Office of Public School Construction to evaluate the conditions at each school site with ratings of "good," "fair," or "poor." The FIT also provides an overall summary of the school conditions at each school site on a scale of "exemplary," "good," "fair," or "poor". Detailed information from the FIT is listed in Section IV of the complete SARC and is also available at the District Office.

This school was inspected on 11/30/2020 and had an overall rating of "good".

The school is maintained in good repair with a number of non-critical deficiencies noted. These deficiencies are isolated, and/or resulting from minor wear and tear, and/or in the process of being mitigated.

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- Statewide assessments (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Note: The 2019–2020 data are not available. Due to the COVID-19 pandemic, Executive Order N-30-20 was issued which waived the requirement for statewide testing for the 2019–2020 school year.

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

• Efforts the school district makes to seek parent input in making decisions for the school district and each school site

Opportunities for Parental Involvement (School Year 2020–2021)

Our School Site Council (SSC), which includes parent and staff members, approves our school's annual plan and budget expenditures. Our English Learners Advisory Committee (ELAC) oversees the quality of learning for our students who are learning English. All meetings and events are translated by bilingual staff members. Regular Family Fun Nights follow our Parent Club meetings, and focus on literacy, math science and art. Families enjoy a night filled with activities as well as enrichment shared by our staff.

We have involved business partnerships with the Oakmont Kiwanis, Kaiser Permanente, Schools of Hope, and members of the Church of the Incarnation. In addition, our monthly Second Cup of Coffee on every first Friday at 7:45 a.m. brings the community and staff together to share refreshments and great

conversation.

School Safety Plan (School Year 2020–2021)

A comprehensive safety plan has been developed, updated, reviewed, and approved by our School Site Council yearly. District maintenance staff and our custodial staff inspect equipment regularly.

We have implemented the Building Effective Schools Together (BEST) Program which directs staff members to supervise actively the playgrounds at recess, and students to follow our playground safety guidelines with incentives and rewards for behavior well modeled. Our emergency committee oversees monthly safety drills and meets in January to update our school safety plan, which was last revised in April.
