

Christian Martinez
STUDENT OF THE MONTH
Los Altos High School
September 2019

Senior

Congratulations to Christian Martinez, Los Altos High School's September Student of the Month! We are honored to recognize him for his involvement in a variety of different activities, on and off campus.

At school, Christian is a member of the Student Community Leaders (SCL), one of the leadership classes on campus. This year, he is in charge of the mix and mingle committee which is responsible for holding new student lunches and promoting inclusion around school. Christian says that he enjoys SCL because it brings him out of his comfort zone and teaches him to more flexible. He has also been an active member of the Latino Student Union for all four years of high school. Last year, as the vice president, Christian helped organize fundraisers and plan school events. During the spring, Christian spends a lot of his time out on the track. He has been a part of the team for four years and throws shot put and discus.

Outside of his school activities, Christian is also able to balance two different jobs. Every day after school, he works at American Tires on El Camino and on the weekends, he works at Icon Movie Theater on San Antonio Road. For the past two summers, Christian has also volunteered for the Stretch to Kindergarten program. His role is to help prepare students for their upcoming year as kindergarteners.

When it comes to the classroom, Christian's favorite subject is math. He hopes to continue pursuing math in college by majoring in mechanical engineering. Aside from math, Christian also enjoys his current English class, Film Analysis. As an AVID student, he will be a first generation college student. Christian is extremely motivated and is a great presence to have at Los Altos High School, and for that we are proud to present him as our September Student of the Month. Congratulations!

Gage Rodriguez
STUDENT OF THE MONTH
Mountain View High School
September 2019

Senior

Mountain View High School is proud to present Gage Rodriguez as September's Student of the Month.

Gage is an outstanding Mountain View student - he is a hard worker, a leader, and remarkably intelligent. He is enrolled in challenging classes such as AP Statistics, AP Physics C, AP Gov/Macro, Multivariable Calculus Honors and AP Lit. He has been taking an extremely challenging course load since Freshman year, and he has always excelled.

Outside of school, Gage is an active member of the marching band (where he plays the trumpet), speech and debate, and mock trial, all of which he has been in for his entire tenure at Mountain View. In speech and debate, Gage was part of the first team in Mountain View history to go to the Tournament of Champions, a very impressive feat. Gage has been to county quarterfinals for Mock Trial for the past two years, he has been an attorney for the past three years, and this year he is the prosecution captain. He was also the co-president of Mock Trial last year, and will likely be again this year. On top of all of this, Gage has been on the varsity tennis team since he was a Sophomore, showing true skill in time management and balance.

Outside of all of this academic and extracurricular excellence, Gage finds enjoyment in table tennis, as well as both skiing & snowboarding. Gage is an exemplary student, and we are lucky to have him at Mountain View High School.
