

Teaching and Learning Department BOE Report, September 26, 2017

1.Item of Information: School Governance Teams Annual Report to the Board of
Education 2016-2017
Goal Area: Organizational Effectiveness
Person Responsible: Jan Masingill, Assistant Superintendent Teaching and Learning

The Barrow County School System has completed its sixth year as a Charter System. While there are still challenges with maintaining consistent membership and training, there are many positive aspects to be celebrated. School governance team (SGT) members appreciate having a voice in the governance of their respective schools and report feeling valued for the input they provide.
