

ACTION MEMORANDUM

TO: Bibb County Board of Education

FROM: Rose Powell, Executive Director of Technology Services

SUBJECT: Digital 1:1 Student Learning Devices and Content Filter

Summary

The Bibb County School District is seeking to implement a 1:1 student device initiative. This 1:1 initiative will provide each student with a district issued laptop or iPad for digital learning.

Background

In order to prepare students to be college or career ready, the district plans to provide each student with a district issued laptop or iPad. This device initiative will provide all students with equitable access to a device to access digital resources such as digital textbooks, Canvas Learning Management System, online assessments, and much more.
