RE: Site Approval Variance Request
Proposed Replacement Indian Creek Elementary Facility

Mr. Rowland,

The DeKalb County School District (DCSD) is requesting a variance to the minimum acreage requirements for the proposed school site to be located at 724 N Indian Creek Dr, Clarkston, GA 30021.

The DCSD proposes to build a new 1,200 FTE on a site of approximately 14.7 acres. Although this site is below the minimum acreage for an elementary school of this size, the site plan enclosed with this Site Approval Application demonstrates that all programmatic needs for the facility are achieved.

Please contact me should you have any questions regarding this request.

Sincerely,

DeKalb County School District
