I. Call to Order

Dr. Bryan Green, chair called the meeting to order at 2:31 p.m.

II. Items for Discussion

i. DLR Update

Corey Barenbrugge and Craig Serig from DLR Group called in to give an update on the focus groups and next steps.

Focus groups to outcomes:

- Geographical considerations
- 1 High school model
- Closing of schools
- Cost
- Security in larger schools
- Competition in sports

Next Steps:

- September portals online
- More input from focus groups
- Concepts from feedback
- Gallery walk-through
- Non-Academic buildings

ii. Facilities Plan Update and Discussion

This item was discussed during the DLR update.

iii. Early Childhood Center

Dr. Marlie Williams, Assistant Superintendent Academics presented. They have been looking at the Noyes concept and others and have been speaking with public and private partnerships for this project. Dr. Williams would like direction from this committee on where these conversations should go or continue. It was consensus of the board members present (5) that they should continue talking with public/private entities on a partnership for this project.

iv. Central Office

Dr. Van Zyl, Superintendent presented. He urged the need for safety/security at the Central Office building and asked that this be addressed in the LRP project. He has a meeting with the library later in the week on the same subject of safety.

III. Adjournment

Dr. Bryan Green, chair adjourned the meeting at 4:10 p.m.
