

## 2115 Unexpired Term Fulfillment

All vacancies in the membership of the Wake County Board of Education will be filled by the remaining members of the Board appointing a member from the voting district creating the vacancy for the remaining unexpired terms.

The Board of Education will advertise the vacancy. The Board may narrow the applicant pool, as deemed necessary, and will determine questions to be asked of applicants. Final applicants will be interviewed and voted upon in open session. The votes each applicant receives will be recorded in minutes. The appointed Board member will be provided an orientation consistent with Board policy.
