

Mission:

The mission of the Crawford County School System is to provide our students with the opportunity to achieve their maximum potential to be successful members of their community.

Vision:

Crawford county schools will unite with the community to be EXCELLENT in all we do.

Beliefs: We believe...

- 1. Every child should have the opportunity to do what he or she wants to do when he/she graduates high school.**
- 2. Our teachers and staff genuinely care about student success.**
- 3. Public education can break the cycle of poverty.**
- 4. Teachers and staff should have the opportunity for professional growth.**
- 5. Our leaders have a responsibility to foster an environment for learning and growth for students and staff.**
- 6. Students and staff must feel safe in order for learning to take place.**
- 7. The relationship between the teacher/student (families) is as important as the lessons being taught.**
- 8. Partnering with our stakeholders will enhance our educational and economic opportunities.**

Strategic Goals:

- 1. Student Achievement and Success**
- 2. Stakeholder Engagement and Communication**
- 3. Organizational and Operational Excellence**
- 4. Quality Workforce**
- 5. Positive School Culture and Climate**
