These records include: (1) **student progress records** – courses taken, grades, immunization records, extracurricular activities and attendance; and, (2) **student behavioral records** – psychological tests, personality evaluations, records of conversations, written statements relating specifically to an individual student's behavior, tests relating specifically to achievement or measurement of ability, physical health records other than immunization records, law enforcement agency records obtained by the District and any other student records which are not progress records.

State and federal laws require that the maintenance of student records assure confidentiality. The District has also adopted a student records policy and procedures. This notice is subject to state and federal laws and the District's policy and procedures. Accordingly, the following shall apply in the District:

1. An adult student, or the parent(s) or guardian(s) of a minor student, has the right to inspect, review and obtain copies of the student's school records upon request in accordance with established District procedures. The District will respond to such requests without unnecessary delay and in no case more than 45 days. Copies of the District's student records procedures are available on the District website and upon request at the School District Office, W360N7077 Brown Street. Regular office hours are: 8:00 a.m. to 4:00 p.m.
2. 3. An adult student, or the parent(s) or guardian(s) of a minor student, has the right to consent to the disclosure of information contained in the student's school records, except to the extent that state and federal laws authorize disclosure without consent. One exception that permits disclosure without consent is disclosure to school officials determined to have legitimate educational or safety interests in the records. A "school official" is a person employed by the District who is required by the Department of Public Instruction to hold a license; a law enforcement officer(s) who is individually designated by the School Board and assigned to the District; a person employed by or working on behalf of the District as an administrator, supervisor, instructor or support staff member (including health or medical staff and police-school liaison personnel); a person serving on the School Board; a person or company with whom the District has contracted to perform a specific task (such as an attorney, hearing officer, auditor, medical consultant or therapist); or a person serving on an official committee such as a disciplinary or grievance committee, or assisting another school official in performing his/her tasks. A school official has a "legitimate educational interest" if the official needs to review a student record in order to fulfill his/her professional or District responsibility.

The District also, upon request, forwards a student's records to another school without

consent in accordance with state law for purposes related to the student's enrollment or transfer. District procedures outline the specific reasons for disclosure without consent and are available upon request as outlined above.

4. An adult student, or the parent(s) or guardian(s) of a minor student, has the right to file a complaint with the U.S. Department of Education for alleged District noncompliance with federal Family Educational Rights and Privacy Act (FERPA) requirements. The name and address of the office that administers FERPA is: Family Policy Compliance Office, U.S. Department of Education, 400 Maryland Avenue, SW, Washington, DC 20202-5920.

Further, the School Board has designated the following student record information as directory data: student's name, address, telephone listing, date and place of birth, participation in officially recognized activities and sports, weight and height of members of athletic teams, dates of attendance, photographs, degrees and awards received and name of school most recently previously attended by the student. This information may be disclosed to any person unless the adult student, or parent, legal guardian or guardian ad litem of a minor student informs the school that all or any part of the directory data may not be released without the prior consent of the adult student, parent, legal guardian or guardian ad litem. The District will not release directory data earlier than two weeks (14 days) after receipt of this notice or the opening of school.

A secondary school student or the parent(s) or guardian(s) of the student may request that the student's name, address and telephone listing not be released to military recruiters or institutions of higher education without prior written parental consent. The District shall comply with such request.

Unless access to such information has been restricted by the secondary school student or the student's parent(s) or guardian(s) as outlined above, the District shall provide access to secondary school students' names, addresses and telephone listings, on request made by military recruiters or institutions of higher education. The District shall also provide military recruiters the same access to secondary school students as provided generally to post-secondary educational institutions or to prospective employers of those students.
